Dear Mr. Tetting,

In compliance with Rule M-3 of the Mined Land Reclamation Act, Atlas Minerals hereby gives notice of intent to reopen the above mine on September 14, 1981.

The reopening will be on a temporary basis only, for the purposes of maintenance and rehabilitation of the mine's decline and underground facilities. All activities will be conducted in accordance with our plan of operations approved November 7, 1977. No actual mining or disturbance of additional surface area will occur.

If you have any questions regarding this operation, please contact me.

Respectfully,
